

THE WATERWAYS OF CALIFORNIA

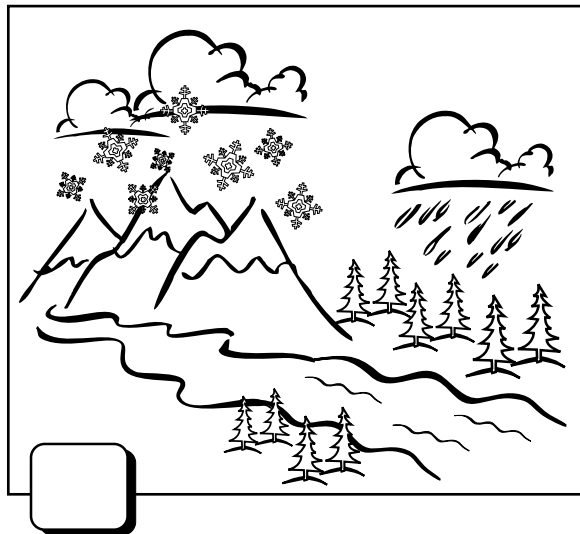

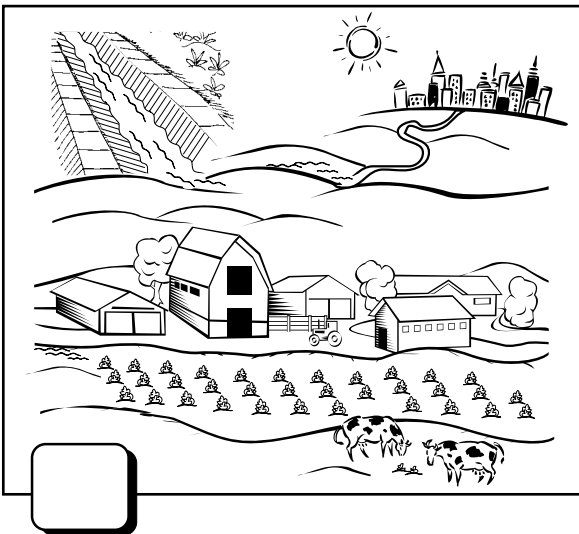

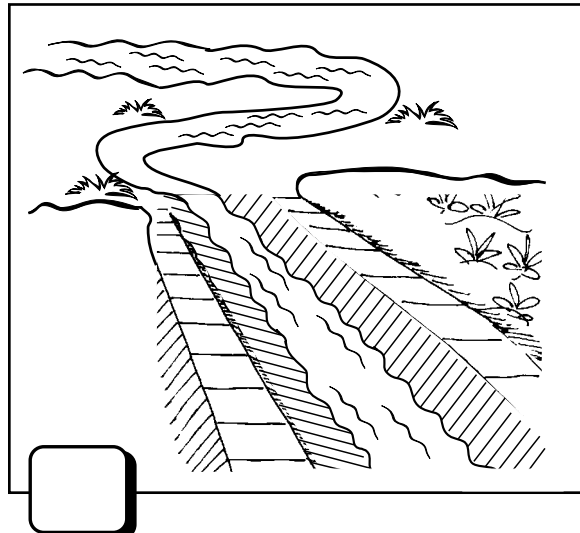

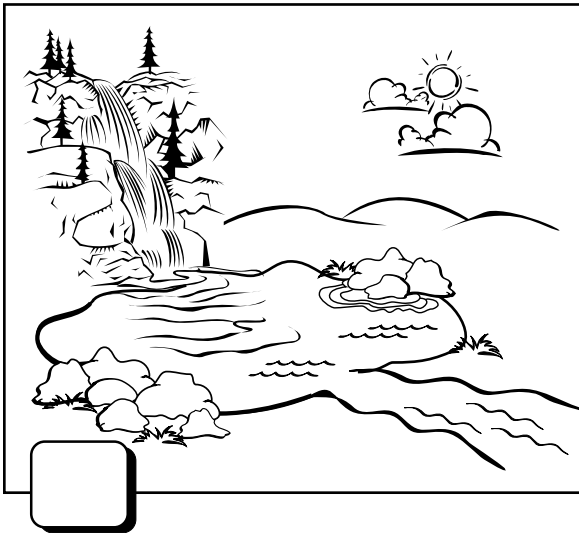

ACTIVITY 2:

How Do We Get Our Water?

Water is important. Every living thing needs water to live. Read how we get our water below. Write the correct number next to the picture to show what happens first, second, third and fourth. Color the pictures.

1. In California, water comes from snow and rain.
2. Waterfalls and streams flow into rivers and lakes.
3. Rivers and lakes flow into canals.
4. Canals are used to bring water to farmers and people in the cities.
